

## Company Profile

**Al Hudaiba Contracting** is one among the leading construction companies in UAE since it's inception in 1980, with an annual average **turnover of Dhs.100 million.**

**We** have a history of handling large, complex, and demanding construction projects (Such as Multi-story Commercial, Residential, Offices and Hotels buildings, High Towers, Mosques, University complex, Local family housing, Villas complexes, ...etc. ) To both government and private owners.

**For** more than 27 years we have offered total construction services with a continuous theme: an emphasis on high standards of quality, integrity, excellent project control and dedication to the needs of our clients.

**Our** success has been achieved in large part due to our attention to the following basics:

- Skilled Management personnel carefully monitor the progress of every project, regardless of its size.
- Team of skilled Project Managers, site Engineers, Superintendents and field personnel supported with huge number of human resources.
- In-house Estimating, contracting, project scheduling, purchasing, information system and accounting services.
- Massive number of **Plant and Equipments** owned by the company.

**Al Hudaiba** commitment is to continuously improve quality of product and services provided to customers by complying with contract specifications and customer requirements and the ultimate objective is to satisfy both clients and customers by completing the projects on time and within budget. To meet this objective the Quality System has been implemented in accordance with the requirements of **ISO 9001:2000.**
